Ispahani: A 200-Year Legacy of
Tradition and Innovation

The Ispahani family has been engaged in business activities in South Asia since 1820. Established in 1934, M.M. Ispahani Limited is the oldest company in Bangladesh and a leading business conglomerate, renowned for its pioneering role in various fields. In 1947, the corporate office was relocated to Chittagong, where it stands today. As the largest tea trading company in the country, Ispahani Tea Limited dominates the branded tea and tea-bag market.

Ispahani Foods Limited, a subsidiary of M.M. Ispahani Limited, uses state-of-the-art technology to produce a diverse range of snack food products. Ispahani Parbon Rice, part of Ispahani Agro Limited, ensures top-quality rice sourced directly from the farmers of Dinajpur, a district eminent for rice production, providing consumers with the best quality.

Core Values

1. **Excellence:** We strive for excellence in all aspects of our business, setting the highest standards for quality, innovation, and service delivery.
2. **Integrity:** Honesty and transparency are the cornerstones of our business. We conduct ourselves with the utmost integrity in all our dealings with customers, partners, and employees.
3. **Social Responsibility:** We are committed to making a positive impact on society. Through our not-for-profit initiatives, we aim to contribute to the well-being and education of our community.
4. **Employee Well-being:** Our employees are the heart of our organization. We treat them like family, fostering a workplace culture that values their well-being, growth, and job satisfaction.
5. **Innovation:** Embracing a forward-thinking mindset, we continuously seek innovative solutions and adapt to emerging trends to stay at the forefront of our diverse industries.
6. **Customer-Centricity:** Our customers are at the center of everything we do. We are dedicated to understanding their needs and delivering products and services that exceed their expectations.
7. **Sustainability:** We are committed to responsible business practices that prioritize environmental sustainability, contributing to a greener and healthier future.
8. **Legacy:** As the oldest company in Bangladesh, we honor and build upon our legacy, preserving the values that have guided us while embracing the evolving needs of the present and future.
