foods

Introduction

Ispahani Foods Limited (IFL), established in 1999, manufactures a wide and varied range of food products. IFL is the subsidiary of the Ispahani Group which has been involved in business since 1820.

Our product range includes chips, biscuits, rusk biscuit, rusk cake and flavored powder drinks. Equipped with the most modern machinery, our food products are hygienically weighed, packed and sealed in a fully automated process which is supervised by a team of experts.

We are ISO, HACCP and Halal certified.

Our Mission

We are dedicated to raise the standard and quality of snack food products that are available to consumers in Bangladesh and the constant pursuit of excellence in meeting consumer demands.

Our Vision

To be the leader in manufacturing the very best products which ensure consumers' peace of mind.
